**NATRONA COUNTY MASTER GARDENERS TWENTY-THIRD
ANNUAL
FARMERS MARKET**

FAMERS MARKET TIME AGAIN!

Local and regional vendors will be tempting you with fresh fruits, vegetables and herbs, along with such extra treats as the ever popular olive oil, baked goods, yard art, grass fed beef and garden accessories beginning Saturday, July 30 and continuing every Saturday through August and September, 2005. The gates will be open from 7:30 a.m. until 12:00 noon every Saturday, or until the vendors sell out. New vendors will be arriving weekly and Master Gardeners will be on hand to answer your gardening questions. This popular community event is held at the Agricultural Resource and Learning Center, 2011 Fairgrounds Road in Casper. And – don't forget to take a minute and view the beautiful xeric plant demonstration berm located street side in front of the building.
